GRANDEUR

Creative Hospitality solutions

Providing mini bar consumables for hotels and resorts in the G.C.C and the Indian Ocean. Over 20 years' experience in the hospitality industry gained in the Middle East, the Indian Ocean and South East Asia, our team understands your guests expectations in product excellence, attractive packaging and a wide variety of mini bar items to choose from.

EXCEEDING YOUR EXPECTATIONS

Deliveries and logistics

Being a locally based company, we are able to turn around your orders within days, avoiding negative impact on the quality and shelf life of your product and supporting your operational needs. More importantly, your guest offerings are never compromised.

Regardless of your location in the UAE and the G.C.C our temperature controlled vehicles will ensure that your products remain at its best. Delivery schedule is flexible and supports your operational needs.

Shelf life...

Our mini bar consultant will ensure the appropriate packaging is recommended for your preferred products, to ensure the shelf life is full optimized. Your consumption will be monitored monthly by our consultant and will assist you whenever you place an order, to avoid having more than what you would expect to use and reduce the likelihood of expired items in your store room.

Competitive pricing...

When selecting our products, first and foremost is the quality and best in class specification. As with many other products, each item comes in different type of classification. Our consultant will assist and guide you in the different types of products on offer and according to your positioning.

Our aim is to provide you with a product of excellent quality yet ensuring that the pricing remains competitive.
